support the PSN initiative. Applicants must also agree to work with federal monitors or auditors as requested by the fiscal agent or the federal government.

A copy of the last available A-133 audit report, if applicable, must be submitted to the Arizona Criminal Justice Commission with the signed Grant Agreement.

Equal Employment Opportunity Plan (EEOP)

An EEOP must be developed by each DOJ grant recipient with 50 or more employees that receives an award of \$25,000 or more either directly from the Office of Justice Programs (OJP) or as a sub-grant from a state planning agency such as the Commission. Exceptions: Regardless of the amount of funding or number of employees, if the recipient agency is an educational institution, non profit organization, Indian tribe or medical institution, it is exempt and is not required to develop an EEOP. Submissions of the EEOP vary depending on the entity type, number of employees and funding level of a grantee agency.

An acceptable Equal Employment Opportunity Plan must be submitted to the Office of Justice Programs (OJP), U.S. Department of Justice, Office for Civil Rights, 810 7th Street N.W., Washington D.C. 20531 if the grantee is required to submit one pursuant to 28 CFR 42.302. An EEOP is a comprehensive document that analyzes a recipient's relevant labor market data, as well as the recipient's employment practices, to identify possible barriers to the participation of women and minorities in all levels of a recipient's workforce. Its purpose is to ensure the opportunity for full and equal participation of men and women in the workplace, regardless of race, color or national origin. The Department of Justice (DOJ) comprehensive guidelines for developing an Equal Employment Opportunity Plan can be found at 28 CFR § 42.301 et seq.

The following guidelines should be used to determine what information, if any must be submitted to Office for Civil Rights (OCR):

An agency **does not** need to return any EEOP related information to OCR if it is a non-profit organization, educational institution, Indian tribe or medical institution or is not receiving a signed grant or sub-grant award of at least \$25,000.

An agency **must submit** a Certification to OCR if it is receiving a single award for at least \$25,000, but has less than 50 employees or has 50 or more employees and is receiving a single award for at least \$25,000, but less than \$500,000.

An agency **must submit** a copy of its EEOP or EEOP Short Form) to OCR if it is receiving a single grant award of \$500,000 or more or an aggregate of grant awards for \$1,000,000 or more during an 18 moth period and has 50 or more employees.

All grantees must forward to OCR a copy of any finding for discrimination made against their agency after a due process hearing (within the past five years) within 30 days of such finding. For more information consult the Office for Civil Rights (OCR) web site at www.ojp.usdoj.gov/ocr .

CERTIFICATIONS

Civil Rights

All recipients of federal funds, regardless of the type of entity or the amount of money awarded, must provide assurance that they will not discriminate against any person on the grounds of race, color, religion, sex, national origin, age or disability, in any program or activity funded in whole or in part by federal financial assistance. The recipient must certify that it will comply with all applicable non-discrimination laws and regulations, and must submit this assurance with the online application as a condition of federal funds (See 28 CFT 42.204).

Specifically, the statute that governs OJP funded programs or activities (Section 809 (C), Omnibus Crime Control & Safe Streets Act of 1968, as amended 42 U.S.C. 3789d, (the OJP program statute), prohibits such discrimination, as follows:

No person in any State shall on the ground of race, color, religion, national origin, sex (or disability)* be excluded from participation in, be denied the benefits of, or be subjected to discrimination under or denied employment in connection with any program or activity funded in whole or in part with funds made available under this title.

*Section 504 of the Rehabilitation Act of 1973 (section 504) prohibits identical discrimination on the basis of disability.

The Assistant Attorney General of OJP has delegated the enforcement of civil rights compliance of all OJP grantees to the Director, Office for Civil Rights (OCR). The director has civil rights enforcement responsibilities and determines through established policies and procedures whether any person is being excluded from participating in, denied the benefits of, subjected to discrimination under, or denied employment in connection with the program or activity receiving OJP fund on these grounds. Where such discriminatory actions are found through compliance reviews or complaint processing the recipient agency may be determined to be in noncompliance for violation of the law and of its signed assurances. If attempts to secure voluntary compliance through negotiations are not successful, the sanction of suspension or termination of funding is required by statute. Some specific forms of discrimination which is prohibited are set out in the OJP program statute's implementing regulations 28 CFR 42.203 and 28 CFT 42.403 section 504. For more information consult the Office for Civil Rights (OCR) web site at www.ojp.usdoj.gov/ocr.

The fiscal agent will present a proposed funding allocation plan to the PSN Executive Council for review. The Council will approve the final funding allocation plan.
